

ABOUT US

At Nature Plus, we believe packaging should do more than protect food — it should protect the planet and promote your brand. Based in Pune, we craft high-quality, eco-friendly food packaging for today's conscious businesses. From sturdy lunch boxes and wok boxes to versatile tubs and lids, every product is thoughtfully designed with sustainability in mind.

We combine hygiene, functionality, and style to create packaging that leaves a lasting impression. Because great packaging doesn't just carry food — it carries your brand story, turning every order into a marketing opportunity. With customisable, recyclable, and biodegradable solutions, we help you serve your customers and the planet, all while boosting your brand's presence.

Smarter packaging today means a cleaner tomorrow — and a stronger brand.

MAKE IT YOURS WITH CUSTOM BRANDING!

At Nature Plus, we know that packaging is more than just a container – it's an extension of your brand. That's why we offer custom printing on all our eco-friendly products, allowing you to add your logo, brand name, or unique design to every box, tub, or lid. With high-quality offset printing and support from our experienced design team, we ensure your branding looks sharp, professional and consistent. We work closely with you to bring your vision to life, so your packaging not only stands out but also tells your brand story, all while staying true to sustainable values.
